Instructions for Form DTF-350

General information

Form DTF-350, *Group Affidavit*, may be used to establish that a group agent is authorized to act for those group members when a partnership, New York S corporation, athletic team, or other group is requesting permission (or reinstatement of permission) to file a group return on behalf of its group members.

Group agent

A group agent must be appointed and designated by each member of a group requesting permission (or reinstatement of permission) to file a group return. The group agent must have legal authority to act as an agent in matters relating to the group return, for all group members participating in the return. The group agent is required to sign the group return, and any communications from the Tax Department will be sent to the group agent. Any notices required by law, such as notices of deficiency and notice and demands, will be sent to the group agent as well as to the individual group member involved. In addition, the group agent will be personally liable for only those penalties relating to making or signing an erroneous, false, or fraudulent return, but only if the agent was actually responsible for the error.
